A Daisy a Day

He remembers the first time he met her
He remembers the first thing she said
He remembers the first time he held her
And the night that she came to his bed
He remembers her sweet way of saying
Honey has something gone wrong
He remembers the fun and the teasing
And the reason for writing this song

Chorus
I’ll give you a daisy a day dear
I’ll give you a daisy a day
I’ll love you until the rivers run still
And the four winds we know blow away

They would walk down the street in the evening
And for years I would see them go by
And their love that was more than the clothes that they wore
Could be seen in the gleam of their eyes

As a kid they would take me for candy
And I loved to go tagging along
We’d hold hands as we walked to the corner
And the old man would sing her his song

Chorus
Now he walks down the street in the evening
And he passes the old candy store
And I sometimes believe he’s believing
That he’s holding her hand like before

I can feel all her love walking with him
And he smiles at the things she might say
Then the old man goes up to the hilltop
And he gives her a daisy a day.

A Light At The River

D

There's a deep silent river flowing just beyond

D

Its waters are so deep and wide.

A  D  G  D

Faith sees a light, a beaconing light,

D  A  D

Down by the river side.

CHORUS:

D  G  D

There's light at the river, a light at the river,

D

There's a light at the river I can see.

A  D  G  D

My Lord will stand and hold in His hand,

D  A  D

A light at the river for me.

To that deep silent river we will one day come,
We will cross over waters wide.
He will carry us away to the realms of day,
To that Home on the other side.

CHORUS:

Jesus holds the light and will our pilot be,
He will guide us safely o'er.
And I know a welcome is waiting me
Across on the other shore.

CHORUS:

A    D
Little darling don't    weep no    more

I wish to the lord I'd never been born
Or died when I was young
I never would have seen your sparkling blue eyes
Or heard your lying tongue

Chorus:

Don't you see that turtle dove
That flies from pine to pine
He's mourning for his own true love
Just like I mourn for mine

Come back, come back my own true love
And stay awhile with me
For if ever I've had a friend in this world
You've been that friend to me

Chorus:

Now I'm crowding thirty
And still wearin' jeans.

Break –

On Wednesday night
When the moon was shining bright
They robbed that Glendale train
And the folks from miles about (yeah they can)
They all said without a doubt
It was done by her Frankie and Jesse James (yes it was)

Chorus:

Well the people held their breath
When they heard about Jesse’s death (yeah)
And they wondered how poor Jesse came to die (how did he die?)
It was one of his guys, called little Robert Ford
And he shot Jessie James on the sly

Chorus:

Tag  He laid poor Jessie in his grave

Beautiful Dreamer

Stephen Foster, 1862

A D E B7 D7

A  
Beautiful Dreamer, wake unto me

D  
Starlight and dewdrops are waiting for thee;

D7  
Sounds of the rude world heard in the day,

E  
Lulled by the moonlight have all passed away.

A  
Beautiful dreamer, wake unto me

E  
Beautiful dreamer, queen of my song,

B7  
List while I woo thee with soft melody;

E  
Gone are the cares of life's busy throng,

A  
Beautiful dreamer awake unto me!

E  
Beautiful dreamer, awake unto me!

Beautiful dreamer, out on the sea,
Mermaids are chanting the wild lorelei;
Over the streamlet vapors are borne,
Waiting to fade at the bright coming morn.
Beautiful dreamer, awake unto me!

Beautiful dreamer, beam of my heart,
E'en as the morn on the streamlet and sea;
Then will the clouds of sorrow depart,
Beautiful dreamer awake unto me!

E  
Beautiful dreamer, awake unto me (Hold)

Chorus

A    D    D7    G    D
I thought I'd been kissed and I thought I'd been loved

D    A    D
But that was before I met you

I wanted to ramble and always be free
But that was before I met you
I said that no woman could ever hold me
But that was before I met you

Chorus

They tell me I must reap just what I have sown
But darling I hope it's not true
For once I made plans about living alone
But that was before I met you

Blackberry Winter

*Em* Am Dm B7 B7 E A

*Em* In April she came to my *B7* valley
We laughed in the sunshine
And *Em* kissed 'neath the moon
I *Am* thought I would *Dm* ask her to *Em* marry
When blackberries *B7* ripened in *Em* June.

*Em* But then she cast eyes at *B7* another
With lips like the tips of the *Em* red Judas tree.
*Am* spell settled *Dm* over my *Em* valley.
He took my *B7* beloved from *B7* me *E*

Chorus
*A* Go away blow away *E* blackberry winter
Let the sun shine let the *B7* spring come
*A* Go away blow away *E* back to the mountain
And *B7* let my lost lover come *Em* home.

*Em* When it grows warm in the valley,
Still I will tremble while we are apart.
Blackberry snow on the hillside
Is bleak as the ice in my heart.

Berries turn black in the summer.
Black as his dark eyes that sparkle and shine
If she comes back to my valley
Just let him remember she's mine.

Chorus
Go away blow away blackberry winter
Let the sunshine let the spring come
Go away blow away back to the mountain
And let my lost lover come home.

Bluebirds Are Singing For Me

Author: Mac Wiseman

There was a girl I loved so dearly
She lived away back in the hills
When the bluebird sings, I miss my darling
She loved me I know, she always will

**CHORUS**

There's a bluebird singing (there's a bluebird singing)
In the Blue Ridge mountains (in the Blue Ridge mountains)
It's calling me back to my home
Oh, I can hear (Oh I can hear)
The bluebirds calling (the bluebirds calling)
Calling me back to my home

Now tonight I'm far from the blue ridge mountains
Far from my home back in the hills
But I'm going back to the blue ridge mountains
These memories they haunt me still

**CHORUS**

When I reached home I was so lonely
The one I loved had gone away
That bad news came from her mother
She's sleeping there beneath the clay

**CHORUS**

Come and Dine

G  Jesus has a table spread
C  Where the saints of God are fed,
D  He invites His chosen people, “Come and dine”;
G  With His manna He doth feed
C  And supplies our every need:
D  Oh, ’tis sweet to sup with Jesus all the time!

Refrain:
G  “Come and dine,” the Master calleth, “Come and dine”;
D  You may feast at Jesus’ table all the time;
G  He Who fed the multitude, turned the water into wine,
D  To the hungry calleth now, “Come and dine.”

The disciples came to land,
Thus obeying Christ’s command,
For the Master called unto them, “Come and dine”;

There they found their heart’s desire,
Bread and fish upon the fire;
Thus He satisfies the hungry every time.

Refrain

Soon the Lamb will take His bride
To be ever at His side,
All the host of heaven will assembled be;

Oh, ’twill be a glorious sight,
All the saints in spotless white;
And with Jesus they will feast eternally.

Where the Walker runs down thru the Carson Valley Plain
There lived a maiden Darcy Farrow was her name.
The daughter of Old Dundee and a fair one was she.
The sweetest flower that bloomed o'er the range.

Her voice was as sweet as the sugar candy
Her touch was as soft as a bed of goose down
Her eyes shone bright like the pretty lights
That shine in the night out of Yarrington town.

She was courted by young Vandamere
A fine lad was he as I am to hear.
He gave her silver rings and lacy things
She promised to wed before the snows came that year.

But her pony did stumble and she did fall
Her dying touched the hearts of us one and all.
Young Vandy in his pain put a bullet through his brain
We buried them to-gether as the snows began to fall.

They sing of Darcy Farrow where the Truckee runs through
They sing of her beauty in Virginia City, too.
At dusky sundown to her name they drink a round
And to young Van-dy whose love was true.

Don't Let Your Sweet Love Die

**CHORUS**

Don't let your sweet love die like flowers in the Fall

Don't take away the smile and leave the tears

My heart believes in you, please say you love me too

Don't leave me here to face the lonely years

I drifted all alone, no one to call my own

And then you came like an angel from the sky

You said we'd never part, don't leave and break my heart

Be mine alone, don't let your sweet love die

**CHORUS**

When flowers fade away they'll bloom again some day

Will you love me when the rosebuds open wide

Or is your kiss to be only a memory

I need you so, don't let your sweet love die

Don't let your sweet love die like flowers in the Fall

Without you life would seem like death to me

I've grown so used to you, I can't believe we're through

Father Listen

I know a meadow out side of Damascus
Where they lay God’s children to rest
Sleeping there are those who came before me
Some I knew and some I never met

I’m going there to that high meadow
To fulfill my father’s last request
His eldest son to carry his earthly body
Back home to Damascus for to rest

Chorus:
Father listen can you hear it
That highway crying soft and low
Oh my eyes are dry and clear this morning
I’ll keep my word to see you safely home

Waiting there his kinfolk will receive him
His place in Eternity prepared
As for me I hardly knew him
But in the end I heard him call my name

Chorus:
All is still here in this misty meadow
High above the cares of life below
My deed is done so let him go down easy
For his journey now has just begun
Chorus:

I’ll keep my word to see you safely home

I’ve kept my word to see you safely home

There’s five pounds of possum in my headlights tonight

Chorus:

Mon and dad will come over and join us for the night
Cause there’s five pounds of possum in my headlights tonight

Four Strong Winds

Chorus:

Four strong winds that blow lonely
Seven seas that run dry
All those things that won’t change come what may
And my good times are all gone
And I’m bound for moving on
I’ll look for you if I’m ever back this way

I may go out to Alberta
Weather’s good there in the fall
Got some friends that I could go to working for
Still I wish you’d change your mind
If I ask you one more time
But we’ve been through that a hundred times before

If I get there before the snow flies
And things are looking good
You could join me if I send you down the fare
But if you wait till its winter
It would do no good
Cause the wind sure can blow cold way out there

Chorus:
And my good times are all gone
And I’m bound for moving on
I’ll look for you if I’m ever back this way

GATHERING FLOWERS FOR THE MASTER'S BOUQUET
Recorded by Kitty Wells; Written by Marvin Baumgardner

D  D7  G  D
Death is an angel sent down from above ...

E  A
Sent for the buds and the flowers we love ...

D  D7  G  D
Truly, 'tis so for in heaven's own way ...

A  D
Each soul is a flower in the Master's Bouquet.

CHORUS
G  D
Gathering flowers for the Master's Bouquet

E  A
Beautiful flowers that will never decay

D  D7  G  D
Gathered by angels and carried away ...

A  D
Forever to bloom in the Master's Bouquet.

Loved ones are passing each day and each hour
Passing away as the life of a flower
But ev'ry bud and each blossom some day
Will bloom as a flower in the Master's Bouquet.

CHORUS

Let us be faithful till life's work is done
Blooming with love till the reaper shall come
Then we'll be gathered together for, (*Ay)
Transplanted to bloom in the Master's Bouquet.

When I

Em
On the

Cherry and
Pine

In her face there was beauty of nature
Her eyes they seemed to expand
Her hair was so rich and so brilliant
Entwined with a blue velvet band

We walked down the street together
In my pocket she placed her small hand
She planted the evidence on me
The girl in the blue velvet band

I heard the screams of the siren
The girl in the blue velvet band
Left me to face all her troubles
With a diamond that was worth ten grand

They sent me to San Quentin for staling
God knows I’m an innocent man
But the guilty one now is dying
The girl in the blue velvet band

I'll be out in a year and I'm leaving
To carry the name of a man
Who spent ten years in prison
For the girl in the blue velvet band

When I get out I’ll endeavor
To live in a far distant land
I’ll say farewell to old Frisco
And the girl in the blue velvet band

Charlie Jones was the engineer
He had twenty years on the line
He kissed his wife at the station gate
This morning at six thirty five

Now everything went fine 'til half past nine
Then Charlie looked up and he saw
There was men on horses, men with guns
And no sign of the law

[chorus]

Amos White was the baggage man
And he dearly loved his job
The company, they rewarded him
With a golden watch and fob

Well, Amos he was marking time
When the door blew off his car
They found Amos White in fifteen pieces
Fifteen miles apart

Golden Rocket

[E] From old Montana down to Alabam'
I've [A] been before and I'll travel again
You [E] triflin' women can't keep a good man [B7] down
You [E] dealt the cards, but you missed the play
So [A] hit the road and be on your way

I was a good engine a-runnin' on time
But baby I'm switchin' to another line
So honey never hang your signal out for me
I'm tired of runnin' on the same old track
Bought a one-way ticket and I won't be back
This Golden Rocket's gonna roll my blues away.

Hear that lonesome whistle blow
That's your cue and by now you know
That I got another true lover waitin' in Tennessee
This Midnight Special's a-burnin' the rail
So woman don't try to follow my trail
This Golden Rocket's gonna roll my blues away.

Hear her thunder on through the night
This Golden Rocket is a-doin' me right
And that sunny old Southland sure is a part of me
Now from your call-board erase my name
Your fire went out, you done lost your flame
And this Golden Rocket is a-rollin' my blues away.

That old conductor, he seemed to know
You'd done me wrong, I was feelin' low
For he yelled aloud, "We're over that Dixon Line"
The brakeman started singing a song
Said "You're worried now, but it won't be long
This Golden Rocket is leavin' your blues behind."

Then the porter yelled with his southern drawl
Let's "rise and shine, good mornin', you-all"
And I sprang to my feet to greet the new-born day
When I kissed my baby in the station door
That whistle blew like it never before
On the Golden Rocket that rolled my blues away.
Gotta Travel On

Chorus:
I've laid around and played around this old town too long
Summers almost gone, winters coming on
I've laid around and played around this old town too long
And I feel like I've gotta travel on

Pappa writes to Johnny but Johnny can't come home
Johnny can't come home, no, Johnny can't come home
Pappa writes to Johnny but Johnny can't come home
Cause he's been on this chain gang too long

Chorus:
I've laid around and played around this old town too long
Summers almost gone, winters coming on
I've laid around and played around this old town too long
And I feel like I've gotta travel on

High Sheriff and police riding after me
Riding after me, yes, coming after me
High Sheriff and police riding after me
And I feel like I've gotta travel on

Chorus:
I've laid around and played around this old town too long
Summers almost gone, winters coming on
I've laid around and played around this old town too long
And I feel like I've gotta travel on

Want to see my honey, want to see her bad
Want to see her bad, oh, want to see her bad
Want to see my honey, want to see her bad
She's the best gal this poor boy ever had

Chorus:
I've laid around and played around this old town too long
Summers almost gone, winters coming on
I've laid around and played around this old town too long
And I feel like I've gotta travel on
Green, Green Grass Of Home

G

G D
And there to meet me is my mama and papa
D G

C
Hair of gold and lips like cherries
C G D G

G
Yes, they'll all be there to meet me,
G C
All creatures smiling sweetly
G D G
It's good to touch the green, green grass of home.

The old house is still standing,
Though the paint is cracked and dry
And there's an old oak tree that I used to play on
Down the lane I'll walk with my sweet Mary
Hair of gold and lips like cherries
It's good to touch the green, green grass of home

Chorus

Then I awake and look around me
Cold gray walls surround me
And I realize that I was only dreamin'
There's a guard and there's a sad old padre
Arm and arm we'll walk at daybreak
Again I'll touch the green, green grass of home

Yes, they'll all be there to meet me
In the shade of that old oak tree
As they lay me beneath the green, green grass of home.

CHORUS

Her hair's as black as raven
Her eyes as black as coal
Her teeth are like lilies

Oh, don't you remember, Molly
You gave me your right hand
You said that if you married
Well I would be your man

CHORUS

Hard times, hard times, come again no more.

While we seek mirth and beauty and music light and gay.
There are frail forms fainting at the door.
Though their voices are silent, their pleading looks will say,
Oh, hard times, come again no more.

**Chorus**

**There's a pale drooping maiden who toils her life away**

With a worn out heart, whose better days are o'er.
Though her voice would be merry, 'tis sighing all the day,
Oh, hard times, come again no more.

On the wind that whispers across the lonely plains
In a cry that falls upon our shore
In the prayer that is whispered beside the lonely grave
Oh, hard times, come again no more.

High Mountain Meadow

C

When the Springtime comes dancing through the Rockies

And the Oaks and the Aspen turn to green

I will hitch up the horses to the Wagon

And I’ll take you to the mountains

To a place you’ve never seen

C

Through the long lonely winter we have courted

Sharing dreams and walking through the snow

We will marry when the river starts to running

And in my high mountain meadow

G

I’ll build you a home

(Chorus)

C

And our songs will echo through the mountains

As we spend our time together all alone

When the Springtime comes dancing through the Rockies

In my high mountain meadow

G

I’ll build you a home

Now the coals in the fire are brightly burning
Like the love that lies warm within our hearts
In your eyes I can see a fire glowing
When we talk about the Springtime
When we never more will part

High On A Mountain
Written by Ola Belle Reed and Alex Campbell

High on the F mountain Oh wind blowing C free
G
Thinking about the D days that used to G be
G
High on the F mountain standing all C alone
G
Wondering where the D years of my life have G flown
G
As I looked at the D valleys down G below

They were green just as D far as I could G see
G
As my memories F returned, on how my heart did C yearn
G
For you and the D days that used to G be

High on the mountain Oh wind blowing free
Thinking about the days that used to be
High on a mountain Oh standing all alone
Wondering where the years of my life had flown
Oh, I wonder if you ever think of me
Or if time has blotted out your memory
As I listen to the breeze whisper gently through the trees
I always cherish what you meant to me

High on the mountain Oh wind blowing free
Thinking about the days that used to be
High on a mountain standing all alone
Wondering where the years of my life had flown
The Hills Of Caroline

D I was born in Guilford County
G Way back up in the pines
D It's where I hold the sweetest memories
G In the hills of Caroline

D My daddy wasn't much of nothin'
G spent his life doin' time
D But mama taught me about Jesus
G In the hills of Caroline

I met a girl her name was Hattie
Fair and tender, sweet and kind
She showed me how to love a woman
In the hills of Caroline

I always thought that we would marry
One sweet day she would be mine
But Hattie's gone, to live with Jesus
In the hills of Caroline

If I should die before tomorrow
Just one request if you don't mind
Just bury me right next to Hattie
In the hills of Caroline

Hobo Bill’s Last Ride

[C] Riding on an east bound freight train
[F] Speeding thru the [C] night
[F] Hobo Bill, a [C] railroad bum

The [C] sadness of his eyes revealed
The [F] torture of his [C] soul
He [F] raised a weak and [C] weary hand
To [G7] brush away the [C] cold.

No warm lights flickered around him
No blankets there to fold
Nothing but the howling wind
And the driving rain so cold

When he heard a whistle blowing
In a dreamy kind of way
The hobo seemed contented
For he smiled there where he lay.

Yodel: Ho-o-bo-o Bi-lI

Outside the rain was falling
On that lonely boxcar door
But the little form of Hobo Bill
Lay still upon the floor

While the train sped thru the darkness
And the raging storm outside
No one knew that Hobo Bill
Was taking his last ride.

Yodel: Ho-o-bo-o Bi-lI

It was early in the morning
When they raised the hobo's head
The smile still lingered on his face
But Hobo Bill was dead

There was no mother's longing
To soothe his weary soul
For he was just a railroad bum
Who died out in the cold.
Yodel: Ho-o-bo-o Bi-lly
HOLD ME CLOSE

D
Its warm here by the fireplace, the lights are burning low.

G
It’s midnight and the rain just turned to snow.

D
And right here in your arms is where I really like to stay.

A
But I just heard that far-off whistle blow.

Chorus:
A
Hold me close, don’t ever let me go!

G
It’s cold outside and I can hear the North Wind blow.

D
And its stirring up old memories of trains and railroad tracks

A
So hold me close don’t let them take me back.

Instrumental Verse

There’s something about a wood fire that warms a person’s soul
And old forgotten dreams left in the cold.
And right here in your arms is where I really like to stay.
But I just heard that far-off whistle blow.

I Am Bound For The Promised Land

C
On Jordan's stormy banks I stand
C cast a wishful eye
To Canaan's fair and happy land,
Where my posessions lie.

Chorus
C I am bound for the promised land,

That rises to my sight
Sweet fields arrayed in living green

Chorus

Chorus
G
I saw the light, I saw the light

No more in darkness, no more night
G
Now I'm so happy, no sorrow in sight

Praise the Lord, I saw the light.

Just like a blind man I wandered along
Worries and fears I claimed for my own
Then like the blind man that God gave back his sight
Praise the Lord, I saw the light.

I was a fool to wander and stray
Straight is the gate and narrow the way
Now I have traded he wrong for the right
Praise the Lord, I saw the light.

D He told me if you keep your hands clean
G You won't hear them bloodhounds on your trail

He said son, you know we won't forget
If you try just to keep your hands clean
We might just make a good man of you yet

I broke out, of the Nashville jail
I just crossed the state-line of Georgia
Well I can hear those bloodhounds on my trail

Last Night My Dear The Rain Was Falling

Last night my dear the rain was falling
A........G......................A
I went to bed so sad and blue
A..................................D
Then I had a dream of you.

D..................................................A
I Dreamed I was strolling in the evening
A........G.........................A
Underneath the harvest moon
A.......................................D
And I was thinking about you.

I don't believe you've met my baby
You looked at him, I looked at you
I wandered who you were talking to

I shook the hand of your stranger
But I was shaking more inside
I was still wondering who

Your arm was resting on his shoulder
You smiled at him, he smiled at me
His eyes were filled with victory.

He said my sister wants to marry
Then my heart was filled with ease
I knew you'd marry me

Words and Music by Tom Paxton

There’s a dark and rolling sea,

Be twixt my love and me,

As I wish for a better day,

If it’s just a floor to lay my blanket down.

Off and on I change my shirt,
Just to wash away the dirt,
And then it’s over to American Express.
And not a letter do I find.
She didn’t even send a line,
But I know she has my forwarding address.

C    D    G
And fly to my own true love again.

Last night the Troubadour,
Was so full they barred the door,
And I sang a song that she loves so well.
And it wouldn't take too long,
To make up another song,
of a lonesome and sad farewell.

The following verse was written and recorded for this song by Doc Watson:
Closed my hotel door,
Put my blanket on the floor,
Lie like a prisoner in a cell.
When sleep finally comes to me,
Then I'll fly across the sea,
To the arms of that girl that I love so well.

Letter Edged In Black

[D] I was standin' by my window yesterday [A7] morning
Without a thought of worry or of [D] care
When I saw the postman [D7] comin' up the [G] pathway
With [A7] such a happy face and jolly [D] air.

He rang the bell and whistled as he waited
Then he said; "Good morning to you, Jack"
But he little knew the sorrow he had brought me
When he handed me a letter edged in black.

With trembling hand I took this letter from him
I broke the seal and this is what it said:
"Come home my boy, your dear old father wants you
Come home my boy, your dear old mother's dead."

I bowed my head in sorrow and in sadness
The sunshine of my life, it all had fled
When the post man brought that letter yesterday morning
"Saying come home my boy, your dear old mother's dead."

"The last words your mother ever uttered
Tell my boy I want him to come back
My eyes are blurred, my poor old heart is breaking
So, I'm writing you this letter edged in black."

Those harsh words I am sorry they were spoken
You know I didn't mean them, don't you, Jack
May the angels bear as witness, I am asking
Your forgiveness in this letter edged in black."

Little Footprints In The Snow

A E D

A Some folks like the summer time
A When D they can walk about
D Just E strolling through the meadows fair
E Is pleasant, there's no A doubt
A But just give me the winter A7 time
A7 When the D snow is on the ground
D For I E found her when the snow was on the E ground.

Chorus:
E I traced her little footprints in the E snow
E I found her little footprints in the A snow
A I bless that happy A7 day when D Nellie lost her way
D Cause I E found her when the snow was on the A ground.

One night I went to see her
There was a big round moon
Her mother said she'd just stepped out
To be returning soon.
I found her little footprints
And I traced them in the snow
I found her when the show was on the ground.

Chorus:
I traced her little footprints in the snow
I found her little footprints in the snow
I bless that happy day when Nellie lost her way
Cause I found her when the snow was on the ground.

Now she's gone to Heaven
She's with an angel band
Soon I'm gonna join her
In the promised land
Every time the snow falls
It brings me memories
Cause I found her when the snow was on the ground.

Chorus:
I traced her little footprints in the snow
I found her little footprints in the snow
I bless that happy day when Nellie lost her way
Cause I found her when the snow was on the ground.
Little Georgia Rose

\[ \text{D}\]

Now come and listen to my story

\[ \text{D}\]

A story that I know is true

\[ \text{A} \quad \text{D} \quad \text{G} \quad \text{D}\]

A little rose that bloomed in Georgia

\[ \text{D}\]

With hair of gold and a heart so true

Chorus

\[ \text{D} \quad \text{G} \quad \text{D}\]

Way down in the blue ridge mountains

\[ \text{D}\]

Way down where the tall pines grow

\[ \text{D} \quad \text{D7} \quad \text{G}\]

Lives my sweetheart of the mountains, yeah

\[ \text{D}\]

She's my little Georgia rose

Her mother left her with another
A carefree life she had planned
The baby now she is a lady
The one her mother couldn't stand

Chorus

We often sing those songs together
I watched her do her little part
She smiled at me when I would tell her
That she was my sweetheart

Chorus

Tag: Yeah now She's my little Georgia rose
Oh, yonder stand Little Maggie
With her dram glass in her hand
She's a-drinkin' away all her troubles
And a-courtin' some other man

Lord, how can I ever stand it
For to see them pretty blue eyes
A-spidin' at another
Like two diamonds in the midnight sky

Break

Pretty flowers were made for bloomin'
Pretty stars were made to shine
Pretty girls were made for lovin'
Little Maggie was made to be mine.

Come and go with me to the station
Got my suitcase in my hand
I'm goin' away Little Maggie
Lord, I'm goin' to some far and distant land

Go away, go away Little Maggie
Go and do the best you can
I'll get me another woman
You can get you another man
There's a little mountain church in my thoughts of yesterday
Where friends and family gathered for the Lord
There an old fashioned preacher taught the straight and narrow way
For what few coins the congregation could afford

Dressed in all out Sunday best we sat on pews of solid oak
And I remember how our voices filled the air
How mama sounded like an angel on those high soprano notes
And when the roll is called up yonder I'll be there.

Chorus:

Looking back now that little mountain church house
Has become my life's cornerstone
It was there in that little mountain church house
That I first heard the word I've based my life upon

At the all day Sunday singing and dinner on the ground
Many were the souls that were revived
While my brothers and my sisters who've gone on to glory land
Slept in piece in the maple grove nearby

Chorus:
There's a little white church in the valley
That stands in my memory each day
And it seems I can hear the bells now ringing
Though I am many miles away

And many times in church on Sunday morning
That whole countryside would gather there
They would all kneel down by the altar
As they lifted up their voice in prayer

Chorus:
Oh the church in the valley that little white church
Is the place I love so well
Now I'm sad and lonely yes I'm sad and lonely
For that little white church in the dell

They would sing the old song Rock of Ages
Oh Christ let me hide myself in thee
And I know some of them are now waiting
Just o'er the dark and stormy sea

I know that their troubles all are ended
And happy forever they will be
They are waiting and watching up yonder
For the coming home of you and me
Chorus:

Repeat:
Now I'm sad and lonely yes I'm sad and lonely
For that little white church in the dell
Long Black Veil, The
Original Lyrics and Music by Danny Dill and Marijohn Wilkin

[D]Ten years ago on a cold dark night
There was [A]someone killed ‘neath the [G]town hall [D]light
There were few at the scene, but they all agree
That the [A]slayer who ran looked a [G]lot like [D]me

The judge said son what is your alibi
If you were [A]somewhere else then [G]you won’t have to [D]die
I spoke not a word though it meant my life
For I had [A]been in the arms of my [G]best friend’s [D]wife

She [G]walks these [D]hills
In a [G]long black [D]veil
She [G]visits my [D]grave
When the [G]night winds [D]wail
Nobody knows, [G]nobody [D]sees,
[G]nobody [A]knows but [D]me

The [D]scaffold’s high and eternity near
She [A]stood in the crowd and [G]shed not a [D]tear
But [D]sometimes at night when the cold wind blows
In a [A]long black veil she [G]cries o’er my [D]bones

She [G]walks these [D]hills
In a [G]long black [D]veil
She [G]visits my [D]grave
When the [G]night winds [D]wail

Nobody knows, [G]nobody [D]sees,

**Look Down That Lonesome Road**

From Fiddler's Green  
(Tim O'Brien/Howdy Skies Music/Universal Music Corp/ASCAP)

Down where that Southern rail crosses the Yella Dog,  
I met an old auctioneer, I heard his monologue  
He said I got horses, I got mules, and I got sheep  
Some I wanna sell boys, and some I wanna keep  
Says I got a tale or two that I need to tell  
Sit down beside me and rest yourself a spell  
I've lived a good long life and I've got no regrets  
Let me tell my story before I forget

**Chorus:**

*Look down that lonesome road, before you travel on*  
*I hate to say goodbye, so I'll just say so long*

See the way that Bay horse rides, it seems just like a sin  
That horse is broke in two, he lost his couplin pin  
And yonder there's man a comin, bless his poor heart son  
His head's all empty, his bread it's just not done  
But look at that old mule here, the one with one lamp lit  
He's about half blind but there's work in that mule yet  
He'll pull a heavy load boys, I know him well  
They never did give that mule no back up bell

**Chorus:**

They say whiskey slows you down and clouds up your thinkin  
But as long as they make whiskey I'd say we'll keep on drinkin  
As long as life keeps hittin hard, a drink will help you to take it  
And long as we drink whiskey, they'll continue to make it  
Some folks have to slow down if they're maimed or lame  
Other folks keep movin, keep rockin on just the same  
I walk like an old fox, I shake my big old tail  
Even though there's a hell hound he's sniffin on my trail

**Chorus:**

Just kick this old dog, make real sure he's dead  
Then find go another dog, don't you hang your little head  
Gonna be a lot of livin after I am gone  
I'll leave a little for you son, come get your share done

**Chorus: (Repeat)**
Lost River

There’s a lost river that flows
In a valley where no one goes
Where the wild waters rush
Rumbles deep in the hush
Though I’m far from there now
Lord, I’ll be back somehow
To where the lost river winds
In the shadow of the pines.

Chorus
Oh, lost river, now I’m coming back
To the pot-bellied stove
Where the firewood’s all stacked
Ah, Quebec girl go with me
Ah, my Belle, my fleur de lis
Where the lost river winds
In the shadow of the pines.

Now everybody knows
Where that lost river flows
It’s someplace he’s lost
Behind bridges that he’s crossed
Well he’d like to return
But the bridges are all burned
And he’s much too far down
To return to higher ground.

Oh, lost river far over the ridge
Now is it too late
For me to build me a new bridge
To the bright golden time
When her love was still mine
And the world was still wild
Like the heart of a child.

Chorus
1. Tonight down here in the valley,
   I'm lonesome and, oh, how I feel!
   As I sit here alone in my cabin,
   I can see your mansion on the hill.

2. Do you recall when we parted,
   the story to me you revealed.
   You said you could live without love dear,
   in your loveless mansion on the hill.

3. I've waited all through the years, dear,
   to give you a heart true and real.
   `cause I know you`re living in sorrow
   in your loveless mansion on the hill.

4. The light shines bright from your window,
   the trees stand so silent and still.
   I know you're alone with your pride, dear
   in your loveless mansion on the hill.

D Meet me by the C moonlight G alone
C I have a sad story to tell you
G All down by the C moonlight G alone

G I've always loved you my darling
D You said I've never been true
C I'd do anything just to please you
G I'd die any day just for you

I have a ship on the ocean
All lined with silver and gold
And before my little darling shall suffer
I'll have the ship anchored and sold

If I had wings like an angel
Over these prison walls I would fly
I'd fly to the arms of my darling
And there I'd be willing to die
Memories are made of this

Move over little dog cause the big dog's moving in

She's changed the lock on my front door
My door key don't fit no more
So get it on over (move it on over)
Scoot it on over (move it on over)
Move over skinny dog cause the fat dog's moving in

This dog house here is mighty small
But it's better than no house at all
So ease it on over (move it on over)
Drag it on over (move it on over)
Move over old dog cause a new dog's moving in

She told me not to play around
But I done let the deal go down
So pack it on over (move it on over)
Tote it on over (move it on over)
Move over nice dog cause a mad dog's moving in

She warned me once, she warned me twice
But I don't take no one's advice
So scratch it on over (move it on over)
Shake it on over (move it on over)
Move over short dog cause the tall dog's moving in

She'll crawl back to me on her knees
I'll be busy scratching fleas
So slide it on over (move it on over)
Sneak it on over (move it on over)
Move over good dog cause a mad dog's moving in

Remember pup, before you whine
That side's yours and this side's mine
So shove it on over (move it on over)
Sweep it on over (move it on over)
Move over cold dog cause a hot dog's moving in

Old Home Place

It's been ten long years since I left my home
In the hollow where I was born.
Where the cool fall nights make the wood smoke rise,
And a fox hunter blows his horn.

I fell in love with a girl from the town
I thought that she would be true.
I ran away to Charlotte'sville
And worked in a sawmill or two.

(Chorus)
What have they done to the old home place,
Why did they tear it down?
And why did I leave the plow in the field,
And look for a job in the town.

Well, the girl ran off with somebody else
The taverns took all my pay.
And here I stand where the old home stood
Before they took it away.

Now the geese fly south and the cold wind moans
As I stand here and hang my head.
I've lost my love, I've lost my home
And now I wish that I was dead.

(Chorus)
Tell me And why did I leave the plow in the field,
And look for a job in the town.

One Morning In May

A D E

A One morning, one morning, one morning in May
E I spied a young couple, they were making their way
A One was a maiden so bright and so fair
A And the other was a soldier and a brave volunteer

Good morning, good morning, good morning said he
And where are you going my pretty lady
I'm going out a walkin on the banks of the sea
Just to see the waters gliding hear the nightingale sing

Now they had not been standing but a minute or two
And out of his knapsack a fiddle he drew
And the tune that he played made the valleys all ring
Oh hark cried the maiden hear the nightingale sing

Oh maiden fair maiden tis time to give o'er
Oh no kind soldier please play one tune more
For I'd rather hear your fiddle at the touch of one string
Than to see the waters gliding hear the nightingale sing

Oh soldier kind soldier will you marry me
Oh no pretty maiden that never shall be
I've a wife in London and children twice three
Two wives and the army's too many for me

Well I'll go back to London and I'll stay there for a year
It's often that I'll think of you my little dear
And if ever I return it will be in the spring
Just to see the waters gliding hear the nightingale sing
To see the waters gliding hear the nightingale sing

One Of These Days  Emmylou Harris (Earl Montgomery)

D
One of these days
I won't have to chop wood

G  D
I can be bad or I can be good

D
I can be any way that I feel

A
One of these days

A  D
Might be a man that's dressed in black

G  D
Be a hobo by the railroad track

D
I'll be gone like the wayward wind one of these days

CHORUS
D  G  A  D
One of these days it will soon be all over cut and dry

D  G  D
And I won't have this urge to go all bottled up inside

A
One of these days I'll look back and I'll say I left in time

D  G  A  D
Cause some where for me I know there's peace of mind

I might someday walk across this land
Carrying the Lord's book in my hand
Goin' cross the country singin' loud as I can
One of these days

But I won't have trouble on my back
Cuttin' like the devil with a choppin' axe,
Got to shake it off my back
One of these days

CHORUS
Paradise
John Prine

D G D
When I was a child, my family would travel

D A D
To western Kentucky, where my parents were born

D G D
And there's a backward old town that's often remembered

D A D
So many times that my memories are worn

CHORUS:

D G D

D A D
Down by the Green River, where Paradise lay

D G D
Well I'm sorry my son, but you're too late in askin'

D A D
Mr. Peabody's coal train has hauled it away

Well sometimes we'd float right down the Green River
To an abandoned old prison down by Atry Hill
Where the air smelled like snakes and we'd shoot with our pistols
But empty pop bottles was all we would kill

CHORUS

Then the coal company came, with the world's largest shovel
And they tortured the timber and stripped all the land
Well they dug for their coal till the land was forsaken
Then they wrote it all down as the progress of man

CHORUS

When I die let my ashes float down the Green River
Let my soul roll on up to the Rochester dam
I'll be halfway to Heaven with Paradise waitin'
Just five miles away from wherever I am

Yonder goes the meanest boy
That ever lived or died;

Black cloud's a-risin'
Surest sign of rain
Get the old grey bonnet
On Little Liza Jane;

Yonder comes that gal of mine
How you think I know
Can tell by that Gingham gown
Hangin' down so low

Red River Valley

G
From this valley they say you are going

G
I will miss your sweet face and sweet smile

D G
Just because you are weary and tired,

C G D G
You are changing your range for a while.

Chorus:
Then come sit here a while 'ere you leave me
Do not hasten to bid me adieu
But remember the Red River Valley
And the COWBOY that has loved you so true.

I've been thinking a long time, my darling,
Of the sweet words you never would say,
Now alas, must my fond hopes all vanish?
For they say you are going away.

CHORUS

When you think of the valley you're leaving
Oh how lonely and drear it would be
When think of the fond heart you're breaking
And the pain you are causing to me.

CHORUS

From this valley they say you are going
When you go, may your darling go too?
Would you leave me behind unprotected
When I love no other but you?

CHORUS
There once was an Indian maid
A shy little prairie maid
Who sang all day a lone song gay
As on the Plain she whiled the day away

She loved a warrior bold
This shy little maid of old
But alas one day he rode away
To the battle he did go

Chorus:
Oh the moon shines tonight on pretty Redwing
The breeze is sighing; the nightbirds crying
For oh far beneath the stars her brave is sleeping
While Redwing is weeping her heart away

She watched for him day and night
And kept all the campfires bright
And under the sky each night she would lie
And dream about his coming by and by

And when all the braves returned
The heart of Redwing yearned
For alas one day her warrior gay
Fell bravely in the fray
Remember Me

Chorus:

D Remember me when the candlelights are gleaming
E Remember me at the close of a long long day
A It would be so sweet when all alone I’m dreaming
E Just to know you still remember me

A The sweetest songs belong to D lovers in the A gloaming
E The sweetest A days are the days that used to be
D The saddest words I ever heard were words of A parting
E When you said sweet heart remember me

Chorus

You told me once you were mine alone forever
And I was yours to the end of eternity
But all your vows are broken now and you will never
Be the same except in memory

Chorus

The sweetest face may take my place when we’re apart dear
A sweeter smile and a love more glad and free
But in the end fair weather friends may break your heart dear
And if they do sweetheart remember me

Remember me when I’m gone for I’ll be yearning
For you each night far away on the deep blue sea
Don’t cry for me but keep your love light burning
When I’m gone sweetheart remember me

Chorus

There’s many a river that waters the land.

The sweet Angelina runs glossy and gliding
The crooked Colorado runs deep and is winding
Slow San Antonio courses the plain
I never will walk by the Brazos again

Chorus

The girls at Little River, they’re plump and they’re pretty
Sulphur and Sabine have many a beauty
And down by the Naches there’s girls by the score
But I never will walk by the Brazos no more.

Chorus

She hugged me and kissed me and called me her dandy
The Trinity is muddy and the Brazos quick sandy
I hugged and I kissed and I called her my own
But down by the Brazos she left me alone.

The more that I cry the faster than train flies
Further on down the track
On a summer day when the waves were ruffled
By the softest gentlest breeze
Did a ship set sail with her cargo laden
For a port beyond the sea

There were sweet farewells, there were loving signals
While her form was yet discerned
And for years and years there were fond ones watching
For the ship that never returned

Chorus:
Did she ever return, no she never returned
And her fate is yet unlearned
And for years and years there were fond ones watching
For the ship that never returned

Said a feeble lad to his anxious mother
I must cross the wide, wide sea
For they say perchance in a foreign country
There is health and strength for me

T'was a gleam of hope in a maze of danger
And her heart for her youngest yearned
Yet she sent him forth with a smile and a blessing
On the ship that never returned

Chorus:
Just one more trip said the gallant captain
As he kissed his weeping wife
Just one more bag of the golden treasure
And t'will last us all our lives
Then we'll settle down in a cozy cottage
And enjoy the rest we've earned
But alas poor man he sailed commander
On the ship that never returned

Strange Little Girl

[C] My sweetheart [G7] and I had a [C] quarrel,
I was [F] troubled as a body could [C] be,
So I [F] put on my coat and walked [C] out into the night,
When a [G7] strange little girl came to [C] me.

[C] Now I [F] don’t know who she [C] was,
And I [F] don’t know where she [C] came from,
I [F] only know, there was an [C] angel glow
In the [G7] eyes of that strange [C] little girl.

She told me she knew of our quarrel,
And I listened as she softly spoke on,
She said “True love is rare, So don’t lose the love you share.” And before I could speak, she was gone.

Now I don’t know who she was,
And I don’t know where she came from,
I only know, there was an angel glow
In the eyes of that strange little girl.

I ran back to the home of my sweetheart,
And I told her of the girl I did see.
She said “Darling, I prayed you’d forgive me
and return, for the same little girl came to me”

Now we don’t know who she was,
And we don’t know where she came from,
We only know, there was an angel glow
In the eyes of that strange little girl.
Sunny Side of the Mountain

Don't forget me little darling
While I'm growing old and gray
Just a little thought
Before I'm going far away

I'll be waiting on the hillside
Where the wild red roses grow
On the sunny side of the mountain
Where the rippling waters flow

Don't forget about those days
We courted many years ago
Don't forget those promises
You gave me and so

It's been so long dear since I've seen you
But my love still lingers on
Don't forget me little darling
Though our love is past and gone

Tell me darling in your letter
Do you ever think of me
Please answer little darling
Tell me where you can be

I'll be waiting on the hillside
On the day that you will call
On the sunny side of the mountain
Where the rippling waters fall

SWEET FLOWERS

Verse:

Darling, Soon I Will Be Sleeping
In The Church-Yard Over There.
Where Grass And Flowers Are Growing
And Birds Sing Everywhere.
Where The Grass Grows Above Me
And Spring Flowers Gently Wave.
Will You Do This Darling,
Plant Sweet Flowers On My Grave?

Verse

From You, Sweetheart, I’m Leaving;
Your Smile Never More To See.
Please Don’t Greive When We’re Parted,
Pretty Flowers Will Speak To Me.
I Will Dream That You’ll Be Near Me,
As The Blossoms Gently Wave.
Will You Do This Darling,
Plant Sweet Flowers On My Grave?

Verse

When The Golden Bond Is Broken,
And They Lay Me Down To Sleep,
This Will Be The Only Token
Of Our Love I Will Want To Keep.
That When I Leave You, Darling,
The One Little Wish I Crave,
In Memory Of Our Love, Dear,
Plant Sweet Flowers On My Grave.

Tecumseh Valley - D
(Townes Van Zandt)

D Oh the name she gave G was Caroline
G Daughter of a miner
And her ways were free and it seemed to me
A That sunshine walked beside her

She came from Spencer across the hill
She said her Pa had sent her
'Cause the coal was low and soon the snow
Would turn the skies to winter

She said she'd come to look for work
She was not seeking favor
For a dime a day and a place to stay
She turned those hands to labor

But the times were hard, Lord, and the jobs were few
All through Tecumseh Valley
She'd ask around, and a job she found
Tendin' bar at Gypsy Sally's

She saved enough to get back home
As spring replaced the winter
But her dreams were denied, her Pa had died
The word come down from Spencer

So she turned to whorin' out on the streets
With all the lust inside her
And it was many a man returned again
To lay himself beside her

They found her down beneath the stairs
That led to Gypsy Sally's
And in her hand when she died was a note that cried
"Fare thee well, Tecumseh Valley".

Oh the name she gave was Caroline
Daughter of a miner
And her ways were free and it seemed to me
That sunshine walked beside her
I Thou shalt arrange thyselfs in a small circle so that thou may hear others. Present not thyself in the center of the circle. If in doubt ask who wants thy backside in his face. Honor the wishes of the group leader follow his guidance.

II Thou shalt play in tune. Tune thy instrument beforehand with thine electric tuner; but ye shall allow time for the banjo player to change keys.

III The honor of tune selection shall be passed clockwise around the circle. Thou shalt commence and cease playing each tune together as one, so that the noise ye make be a joyful noise. Choose a tempo that allows all to participate. Before commencing ask who wishes to partake a break. Be mindful of who precedes you so that thou commence your break on time.

IV Upon introducing a new tune thou shalt render to the rhythm players a chord sheet so that they will not flounder in confusion. The singer shall select the key, an inalienable right. All are encouraged to join in while singing the chorus.

V Thou shalt play softly when someone lifeth his voice in song, when another taketh his break or when thou knowest not what thou are doing.

VI Forget not to be helpful to the beginner, remembering the days, yes even the years of thine own strife.

VII Thou shalt maintain the rhythm and not forsake the beat; for the bass player may scorn thee.

VIII Thou shalt listen with thine ears to the songs and attempt to play in accord with the group; also, open thine eyes betimes to look about thee, lest there be a visual sign someone is endeavoring to send thee. Hog not the session. Give thy neighbor his turn. Unlikely as it may seem, they may be as gifted as thee.

IX Thou shalt observe the ancient law of “AABB” and be learned of exceptions. If thou sinneth or make a grave error thou must atone by reentering the tune in the proper place and continuing.

X He who selects the tune endith the tune. When it has been played sufficient times over thou shalt stick out thine own foot or else lift up thy voice crying “Last Time”. Upon seeing or hearing this sign, thou shalt complete the tune then cease playing.

Remember that a tune played slowly with clarity is closer to godliness than a tune played speedily and sloppily.

VIOLET AND A ROSE
(Send me some violets I'm blue as can be)

A violet fell in love with a rose
And started it blushing from its head to its toes
Then one day the rose was kissed by the dew
A new love was born and the violet turned blue

Chorus
Roses are red violets are blue
I'm sending red red roses to you
If you care to send some flowers to me
Then send me some violets I'm blue as can be

I wanted my love to bouquet with you
But just like the rose you've proven untrue
A flower that's wild they say has no home
And just like the violet I'm left all alone

Chorus:
Roses are red violets are blue
I'm sending red red roses to you
If you care to send some flowers to me
Then send me some violets I'm blue as can be

Tag: If you care to send some flowers to me

Chorus:

Could you walk by my side in the morning?
When the world is covered with dew
And not know in your heart that I’m happy
Just seeing the sunrise with you

Could you walk by my side in the summer?
Or work with me just for a day
And not know that my world is made brighter
Because you have come my way

Chorus:

Could you watch the trees change colors
As they take on Autumn’s bright hues
And not know in your heart that I’m living
In the autumn of my life too

Chorus:

Will you hold my hand in the sunset?
And see the colors that I love so much
And watch them fade into darkness
And know I’m still feeling your touch

Whispering Hope

 Soft as the voice of an Angel,
 Breathing a lesson unheard,
 Hope with a gentle persuasion
 Whispers her comforting word.

 Wait, till the darkness is over,
 Wait, till the tempest is done,
 Hope for the sunshine tomorrow
 After the shower is gone.

 Chorus:
 Whispering hope,
 Oh, how welcome thy voice,
 Making my heart
 In its sorrow rejoice.

 Hope has an anchor so steadfast,
 Rends the dark veil for the soul.
 Wither the Master has entered,
 Robbing the grave of its goal.

 Come then O come glad fruition,
 Come to my sad weary soul.

 If in the dusk of the twilight,
 Dim be the region afar,
 Will not the deepening darkness
 Brighten the glimmering star?

 Then, when the night is upon us,
 Why should the heart sink away?
 When the dark midnight is over
 Watch for the breaking of day.

There's a place I love so well
Where I spent many days of my childhood
In the cabin where we loved to dwell

Chorus:

The willows will hang their head
I'll live my life in sorrow
Since mother and daddy are dead

We were all so happy there together
In our peaceful little mountain home
But the Saviour needs angels in heaven
Now they sing around that great white throne

Chorus:

Will we all be together some day
And each night as I wander through the graveyard
Darkness finds me where I kneel to pray

Wildflowers Don’t Care Where They Grow

Dolly Parton

A
The hills were alive with wild flowers and I

D A
Was as wild even wilder than they

A
For at least I could run

D A
They just died in the sun

E A
And I refused to just wither in place

D
Just a wild mountain rose needing freedoms to grow

D A E
So I ran fearing not where I go oo o

A
When a flower grows wild it can always survive

D A
Wildflowers don't care where they grow

And the flowers I knew in the fields where I grew
Where content to be lost in the crowd
They were common and close I had no room to grow
And I wanted so much to branch out

So I uprooted myself from my home ground and left
Took my dreams and I took to the road

When a flower grows wild it can always survive
Wildflowers don't care where they grow

I grew up fast and wild and I never felt right
In a garden so different from me
I just never belonged I just longed to be gone
So the garden one day set me free

I hitched a ride with the wind and since he was my friend
I just let him decide where we'd go
When a flower grows wild it can always survive
Wildflowers don't care where they grow

Just a wild rambling rose seeking mysteries untold
No regret for the path that I chose

When a flower grows wild it can always survive
Wildflowers don't care where they grow
Will The Circle be Unbroken

When I saw the hearse come rolling
For to carry my mother away

Chorus:

Bye and bye, Lord, bye and bye
G
There's a better home a-waiting
In the sky, Lord, in the sky

Oh, I told the undertaker
Undertaker, please drive slow
For this body you are hauling
How I hate to see her go

Chorus:

Lord, I followed close beside her
Tried to hold up and be brave
But I could not hide my sorrow
When they laid her in the grave

Chorus:

Went back home Lord, My home was lonely
Since my mother she had gone
All my brothers, sisters crying
What a home so sad and lone

Chorus:

This is not 38, it is Old 97
You must put her into Spencer on time."
Well, the engineer he said to his black, greasy fireman
Just Shovel on a little more coal
And when we cross that White Oak Mountain
You can watch Old 97 roll."

It's a mighty hard road from Lynchburg to Danville
A road with a three-mile grade.
It was on that grade that he lost his airbrake,
You can see what a jump she made.

He was goin' down the grade making 90 miles an hour,
When his whistle broke into a scream,
He was found in the wreck with his hand on the throttle,
He was scalded to death by the steam.

Now the telegram came into Washington Station
And this is what it said
That brave engineer that drove old 97
Is layin' down in Danville, dead.

Now listen, all you ladies, you must all take a warning,
From this story a lesson learn:
Never speak harsh words to your true lovin' husband,
He may leave you and never return.

He was goin' down the grade making 90 miles an hour
When his whistle broke into a scream,
He was found in the wreck with his hand on the throttle,

YOU WIN AGAIN

Hank Williams

1. The news is out, all over town,
that you've been seen a-runnin' 'round.
I know that I should leave, but then,
I just can't go. You win again.

This heart of mine could never see,
what ev'rybody knew but me.
Just trusting you was my great sin,
What can I do? You win again.

2. I'm sorry for your victim now,
'cause soon his head like mine will bow.
He'll give his heart, but all in vain,
and someday say: You win again.

You have no heart, you have no shame.
You take true love, and give the blame.
I guess that I should not complain,
I love you still: You win again.
