

I Wonder Where You Are Tonight

^I Tonight I'm sad my heart is ^{IV} weary
^I Wondering if I'm wrong or right
To think about you though you left me
I wonder where you are tonight

1,45,1

The ^{IV} rain is cold and slowly ^I falling
Upon my window pane tonight
And though your love seems even ^{IV} colder
I wonder where you are tonight

~~1,45,1~~

Your heart was cold you never loved me
Though you often said you cared
And now you've gone to find another
Someone who knows the love I shared

Then came the dawn the day you left me
I tried to smile with all my might
But you could see the pain within me
That lingers in my heart tonight
