

My Dear Companion

C F
 Oh have you seen my dear companion
 C G
 For he was all this world to me
 C F
 I hear he's gone to some far country
 C G C
 And that he cares no more for me

MY DEAR
COMPANION

F C
 I wish I were a swallow flying
 C G
 I'd fly to a high and lonesome place
 C F
 I'd join the wild birds in their crying
 C G C
 Thinking of you and your sweet face

BREAK

C F
 Oh have you seen my dear companion
 C G
 For he was all this world to me
 C F
 But now the stars have turned against me
 C G C
 And he cares no more for me

F C
 Oh when the dark is on the mountain
 C G
 And all the world has gone to sleep
 C F
 I will go down to the cold waters
 C G C
 And there I'll lay me down and weep

F C
 Oh have you seen my dear companion (3 times)

C G C
 For he was all this world to me
