

I Couldn't Believe It Was True

recorded by Marty Robbins

written by Wally Fowler and Eddy Arnold

C F C
Last night I come home and I knocked on my door
G7
I called to my love as I oft had before
C F C
I knocked and I knocked but no answer there came
G7 C
No kisses to greet me no voice called my name

I couldn't believe it was true oh Lord
F C
I couldn't believe it was true
My eyes filled with tears I must have aged ten years
G7 C
I couldn't believe it was true

F C
I let myself in and I walked to our bed
G7
I found a note there and the message it read
C F C
The truth like a bolt from the blue in the dawn
G7 C
My sweetheart had left me my darling had gone
repeat #2

F C
The shock was so great I am quivering yet
G7
I tried to forgive but I cannot forget
C F C
My heartbreaking loss is another man's gain
G7 C
Her happiness always I hope will remain
