

That Home Far Away “Stanley Brothers”

Chorus:

G C G
Oh lord have mercy on this weary soul of mine
D

May I walk in your light everyday

G C G
And when I've crossed that deep silent river
D G

I'll be happy in that home far away

G C G
I wandered away from the straight and the narrow
D

Driftin' like a ship lost at sea

G C G
No lighthouse to guide my weary footsteps
D G

Til Jesus answered my plea

Chorus:

G C G
Oh lord have mercy on this weary soul of mine
D

May I walk in your light everyday

G C G
And when I've crossed that deep silent river
D G

I'll be happy in that home far away

G C G
The lights are bright no longer I'm blinded
D

From the bondage of sin I'm free

G C G
He lifted me up to join salvation
D G

I'll live on eternally
