

# You'll Find Her Name Written There

written by Bill Monroe

G F G  
On and on she'll walk this earth  
F D  
Her face like a beautiful flower  
G F G C  
But all alone is a marble stone  
G D G  
You'll find her name written there

G F G  
Her new voice rings where the angels sing  
F D  
Her voice so pure and so fair  
G F G C  
And if you'll look in the Heavenly book  
G D G  
You'll find her name written there

G F G  
I'm all alone since the call of fate  
F D  
Left me in deepest despair  
G F G C  
And if you'll wait at the pearly gate  
G D G  
You'll find her name written there

G F G  
I'll breathe her name into the air  
F D  
It goes and I know not where  
G F G C  
But if you look in the heart of a friend  
G D G  
You'll find her name written there  
G D G  
You'll find her name written there
